

# UPCOMING EVENTS

**Pictured Above: North Laguna's onsite garden. Throughout the year fruits and veggies will be available for the members to use in cooking, baking and Healthy Habit activities.**

## North Laguna Gets Ready for BGC Week!

Every year Boys & Girls Clubs of America designates an entire week to our five program areas: The Arts, Education, Health & Wellness, Leadership & Service, and Sports & Recreation. The Club will focus a different day of the week towards one of these areas. This year, for our Leadership & Service, North Laguna will host a Carnival Night, which will have: games, photo-ops, a snack shack and others. Keep on the lookout for more information about our BGC Carnival as the day gets closer.
